Dear Valued Customer,

Huhtamaki, Inc. ("SELLER") with principal offices at DeSoto, Kansas, as of this date, certifies to the best of our knowledge, and to the best of our suppliers' knowledge, that the SAVADAY® 5-Compartment Plate (Item #21040) supplied to New York City Department of Education ("BUYER"), are not manufactured with materials containing per- or polyfluoroalkyl substances ("PFAS") as an intentional additive, and contain less than 100 ppm of these materials.

This certificate is given in response to BUYER's request for it. No warranties are expressed as to the products referenced above other than as specifically set forth herein or as included in the Huhtamaki, Inc. supply agreement. This certificate is accurate as of the date hereof. SELLER has no obligation to advise of changes of law or fact that occur after the date of this certificate.

These statements are valid for 12 months from the date of this letter.

Please contact your Huhtamaki, Inc. sales representative if you have any further questions.

Best regards,

HUHTAMAKI, INC.
