SCHOOL FOOD SERVICE MANAGER

FROM: [Name]

DATE: [Date]

Subject: Emergency Food Service - Three Day Supply of Food

This memo is to provide all high quality and nutritious meals to New York City school children. However, due to the fact that we are unable to provide food service and the school children are unable to get their meals during these times of emergency. Therefore, the emergency food service is provided to provide all school children with the food they need to eat. This is not a replacement for the regular school meal service. The purpose of this service is to provide a safe and nutritious meal to all school children during these times of emergency. The school food service is provided to all school children during these times of emergency. The school food service is provided to all school children during these times of emergency. The school food service is provided to all school children during these times of emergency.
